

# ROMEL P. BROSAS

SOFTWARE DEVELOPER

## ABOUT ME

I am an experienced software developer with a passion for solving problems and creating innovative software solutions. I enjoy working on diverse projects and continuously learning new technologies to stay ahead in the industry. My goal is to deliver high-quality software that helps businesses succeed. I am dedicated, detail-oriented, and always strive to exceed client expectations.

## WORK EXPERIENCE

### FREELANCE SOFTWARE DEVELOPER

2023 – Present

- Collaborated with clients to design and develop responsive websites using Bootstrap, TailwindCSS, Laravel, and MySQL database.
- Translated client requirements into functional and visually appealing websites, ensuring user-friendly navigation and optimal performance.
- Implemented front-end and back-end web development best practices, including cross-browser compatibility, accessibility, and mobile responsiveness.
- Developed android applications using Android Studio (Java).

### OFFICE STAFF (OJT)

TESDA Occidental Mindoro Provincial Training Center / February – May, 2023

- Working closely with clients has been an integral part of my role. I have actively provided support, addressed queries, and resolved technical issues.
- Encoded data using Excel and performed basic tasks such as printing and sorting files.
- Processing and managing incoming and outgoing correspondence and documents.
